**2020 Dare 2B Digital Conference
& Design Thinking Challenge**
March 7, 2020 9:00am - 3:30pm
PayPal Headquarters, San Jose, CA

www.dare2bdigital.org #dare2bdigital

Dare2B Digital

An exciting day of learning for middle school and high school students, grades 7-10, interested in STEAM (Science, Technology, Engineering, Arts & Math)!

- Become a design thinking ninja
- Experience real-world problem solving
- Work with professionals from top Silicon Valley companies

Interactive learning experience

In 2019, industry experts from companies including PayPal, Deloitte, Lockheed Martin, Tesla Vehicles, and Tesla Solar presented fun and educational problem-solving sessions using design thinking methodology.

- Transportation
- Environment
- Cyber Security
- Cryptocurrency/Microfinance
- Space Exploration

Scan to Register!

Students gained critical experience and won prizes including a Helicopter Drone, a Smartphone Picture Printer, a visit to the Tesla Factory, behind the scenes at PayPal, and much more!

Workshops for parents, guardians, and mentors Nurture STEAM interest, skills, and career paths.

“Thank you @Dare2BDigital. It was so nice to see kids my age as passionate about technology as I am.”

Sasha Williams, attendee from Carondelet High School
